

Jackrabbit Dance RECITAL DEBRIEF CHECKLIST

Take a breath, recital season has finally come to an end! With the curtain freshly closed on dance recital season, there's no better way to maximize your recital results next year than by doing a recital debrief now.

What worked? What didn't? And what will you change to make things run smoother next year?

Use this worksheet to take stock of your success and areas that need improvement so you can be prepared for an even more successful recital season next year!

DANCE RECITAL DEBRIEF

SUCCESSSES

AREAS TO IMPROVE

DANCE RECITAL CHECKLIST

Use this page to make sure you're prepared for your next recital season using essential ways outlined in our webinar ["Recital Organization: Top Tips for a Streamlined Performance"](#)

Utilize a recital lineup generation tool

Streamline program book creation with a system that exports lineup to a word processor

Use a recital ticketing system like TutuTix

Use recital lineup export to manage lighting and music cues

Streamline your dancer check-in process with Check In Pointe

Ensure parent volunteers know what they are doing/create their own checklist

Communicate with student's parents pre-show
